## Skills

Knowledge	As a finance minor I familiarized myself with EI and CPP premiums from a tax perspective.
Communication	As a competitor in case studies I communicated findings from my analysis to judges.
Customer Service	As a promoter I dealt with thousands of people and helped many with directions to places near my jobsite.
Thinking	As a student I studied a breadth of disciplines over several faculties in arts, sciences, and business.
Information Gathering	As an applied statistics major I gathered information for various research projects.
Data Entry	As the Northern Alberta Alumni Representative I gathered participant information and competitor scores into software for debate tournaments.
Passion for Helping Others	As a debate coach I volunteered to help students develop their debate skills.
Technology Usage	As the Edmonton Junior High Debate Representative I use e-mail, the Internet and word processing to communicate with the board and other coaches.
Delivering Services/Programs	As the Edmonton Junior High Debate Representative I have hosted seminars teaching coaches how to use technology for online debate tournaments.
Language	As a student my oral and written assessments have been in English.
